

Health and Safety Policy

We are committed to ensure members health and safety is priority. We have implemented the following.

CDC Guidelines

While CDC guidelines are frequently changing, we are committed to staying up to date and following CDC guidelines. Masks are strongly encouraged however per CDC guidelines masks are not required.

Free Covid testing available weekly to members. Thursday- 11:00 am CST.

Increased cleaning

We're disinfecting common areas more frequently and are providing complimentary sanitization products in our space, including hand sanitizing dispensers and wipes.

Podcast room and conference room are clean in between use.

Physical distancing

Physical distancing is strongly suggested. Desks are staggered to allow space between seating.
