

Boston Offices Safety Protocols

Social Distancing

We have installed social distancing signs throughout the suite. This includes floor stickers to remind everyone to attempt to remain 6 feet away from another person. Social distancing and hygiene protocol signage is also posted throughout the building. We have removed seating in all common areas.

Meeting Rooms

Our team removed seating in the meeting rooms to accommodate for social distancing. Meetings of more than 10 people must be approved in advance. The Boston Offices team will be responsible for cleaning meeting rooms after each use.

Boston Offices Janitorial/Cleaning

We have enhanced cleaning & professional sanitation throughout all common areas. Our team will continue to clean the common areas throughout the day. We will keep a daily log. Building management will continue to clean the office at night.

LEED Buildings

Boston Offices is proud to have both of our locations in buildings that have secured a high LEED status, promoting renewable, clean energy. Our One Boston Place location was the very first LEED GOLD building in the United States. Exchange Place also has a LEED GOLD certification!
